

HOW-TO

Rent and return a Blue-bike

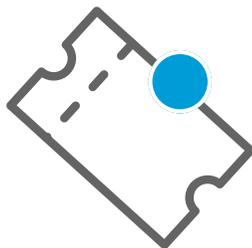

Blue-bike

2 technologies

Digital lock vs Key distributor

Depending on location

Blue-bike

Key distributor: voucher

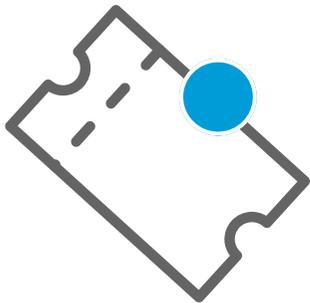

RENT

1. Go to a key machine and select 'borrow'.
2. Click on 'voucher'.
3. Enter the voucher code.
4. Take the key that lights up red.
5. Find the bicycle with the same number as your key.
6. Have fun cycling!

RETURN

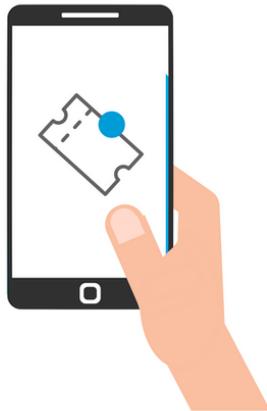

1. Place your bicycle in the bicycle rack.
2. Secure with chain and key.
3. Scan the black key ring on the machine.
4. Report a defect or click on 'nothing to report'.
5. Insert your key into the opening that lights up.

Digital lock: voucher

RENT

1. Save your voucher in the app in advance.
2. Go to the bicycle you want to rent.
3. Open the app and turn on Bluetooth.
4. Select the bicycle number of your Blue-bike.
5. Unlock the bicycle in the app by choosing 'voucher'.
6. The lock will open automatically.
7. Have fun cycling!

RETURN

1. Place your bicycle in the bicycle rack.
2. Open the app and choose 'end ride'.
3. Close the lock by pushing the lever down.
4. Your ride has now ended.

If you close the lock at the Blue bike location, you can end or pause your ride. If you close the lock somewhere else, your ride will be paused and you can continue cycling afterwards.

Blue-bike

Please note: always return your Blue-bike to its original location

This is how you avoid a surcharge (€20)

Blue-bike

Enjoy your ride!
